

June 19, 2020

Estimada comunidad del ASD:

Confío en que todos estén seguros y saludables.

Desafortunadamente, anoche recibimos un aviso del Secretario de Educación de que todos los eventos en las escuelas han sido **cancelados** debido a los continuos peligros para la salud. Esto significa que todas las celebraciones de graduación y desfiles han sido canceladas.

Estamos en comunicación constante con los funcionarios de la Secretaría y notificaremos a la comunidad cuando haya noticias adicionales.

Además, no se permitirán maestros en el campus hasta nuevo aviso.

Esperamos sinceramente que, siguiendo las pautas de la comunidad, podamos volver a nuestras actividades lo antes posible.

Un cordial saludo,

David Brown

Dear ASD Community,

I trust all are safe and healthy.

Unfortunately, last night we received notice from the Secretary of Education that all events at schools have been cancelled due to the continued health dangers. This means that all graduation and moving up celebrations have been cancelled.

We are in constant communication with Ministry officials and will notify the community if and when there is additional news.

In addition, teachers will not be permitted on campus until further notice.

It is our sincere hope that by following community guidelines we can return to our activities sooner rather than later.

Warm regards

David Brown
